#### **AUM MEDITATION CENTER**

### Our Vision

Every person deserves to live with inner peace, deep awareness, and a clear purpose.

AUM Center provides a safe space for growth and healing, integrating both scientific and spiritual techniques such as meditation, the Law of Attraction, emotional intelligence, and life coaching. These are offered through group courses, training programs, or personalized one-on-one sessions that respect each individual's privacy and needs.

Our ultimate goal is to accompany every person on their journey to self-discovery, elevate their consciousness, and connect authentically with their purpose—all within a framework that respects spiritual values and aligns with ethical principles.

- Provide personalized sessions to support emotional balance, personal growth, and goal achievement
- Foster self-awareness and inner development through meditation, coaching, Law of Attraction, and energy-healing
- -Train confident coaches and leaders through accredited programs to make a real community impact
- Combine spiritual wisdom with modern techniques, aligned with values and reliance on God
- Create a safe, supportive space for self-expression, discovery, and healing
- Build a connected community of growth seekers and professional coaches

### Why do many people want to enter the coaching field

(According to the International Coaching Federation – ICF Standards)

### **Deep Purpose and Real Impact:**

Coaching is more than a profession—it is a mission. It is the art of empowering others to reach their best selves through active listening, asking profound questions, and providing a safe space for growth

.A life coach accompanies individuals on their journey toward clarity, change, and goal achievement

#### **Continuous Inner Growth for the Coach:**

A coach not only supports others but also undergoes an ongoing journey of self-awareness, personal development, and emotional intelligence. Coaching enhances skills such as

- Mindful presence
- Emotional regulation
- Conscious interaction
- Respecting values and differences

### A Flexible and Globally In-Demand Profession:

According to ICF, the demand for certified life coaches is growing worldwide, both in individual and organizational contexts (companies, education, health, relationships) Coaching offers the opportunity to work from anywhere in the world, online or in-person, with individuals or teams, and on flexible schedul

### **Multiple and Scalable Income Opportunities**

Through offering one-on-one sessions, workshops, digital content, training programs, and even corporate consulting, coaching provides diverse income streams that are scalable and sustainable

### A Profession That Respects Human and Ethical Values

Life coaches operate within a clear ethical framework that ensures privacy, non-judgment, and empowering the client rather than controlling them. These principles make coaching a deeply human field that aligns with spiritual and ethical values.

### What You Will Gain During the Course

Joining the center encouraged me because of my love in developing my skills in coaching and my desire to take information from the source because of the abundance and mixing of misinformation about coach
